## ONLY resonating Far Infrared Energy activates water cells

Large molecules full of toxicity within small blood vessels slow circulation and increase blockage. This can cause many health problems and even heart attacks.

Far infrared reduces the size of water molecules and easily and quickly dilates blood vessels. This increases blood flow significantly and brings much more oxygen into the entire body. The results are amazing!

**The Relax Sauna is preferred by doctors, medical professionals, therapeutic practitioners and many more.**

**Why is the Relax Sauna considered 'The Superior Sauna?'**

- \* It warms instantly! 20 seconds versus 30 minutes or more to heat up
  - \* Short yet sufficient & effective sessions
- \* Uses less electricity and takes less time overall with fantastic results
  - \* Fast acting! Relief of symptoms happen quickly!
- \* You can breathe! Head out makes a HUGE difference in comfort & endurance
  - \* Effective even with clothes on for 5-10 minutes treatments
- \* Amazing deep river sweats in 15-20 minutes or even less! (Not 30-60 minutes or not at all!)
- \* Award winning, internationally lauded technology that utilizes semi-conductor chips to create the pure healing energy of infrared sunlight. No other sauna, even wooden ones can compare to the amount of quality light emitted in the Relax Sauna.
  - \* Unique, unparalleled, unprecedented, incomparable!
- \* It is safe, simple, strong, pure, portable, medical grade and very affordable & effective!
  - \* Useful for all ages & health, disability levels & almost everyone!

**DO SWEAT IT!**
